INTERVIEW SUMMARY

An interview by telephone was held on November 14, 2001, between the undersigned attorney for Applicant and Richard Crispino, Supervisory Primary Examiner.

The substance of the interview was that the undersigned argued that the final rejection was premature and improper for the reasons stated in Applicant's Second Amendment After Final Rejection mailed 10/2/01 (page 3, first two paragraphs), and that Applicant therefore was entitled to entry of the two amendments filed after the final rejection. Examiner Crispino agreed to withdraw the finality of the rejection and enter the two amendments mailed by Applicant on 10/2/01.

No specific claims were discussed, and no prior art was discussed.

Respectfully submitted,

Robert J. Stern
